Re: **1-Division II Basketball Tournament Summary**
2-Division II Basketball Regulations Update.

1.

The Division II Tournament was held in Rome along with the Div. III Tournament. The Learning Center and Gov. Baxter moved up from Div. III while Rome and Scranton moved down. A local team from the Oneida Y and Fanwood's J.V. Team competed to help make the tournament into an 8 team tournament. Thanks to both schools and Gordon for making that possible.

The finals were held at a large local Jr. Hi school which allowed for many spectators to be in attendance. St. Mary's won over Rochester by the score of 53-47.

Delaware beat the Learning Center for third place and Rhode Island beat Maine to take 5th.

The Learning Center won the Sportsmanship award.

Congratulations to Gordon and the staff at Rome for running a very smooth tournament.

Seeding for 2000-01 was not done. Most felt it would just have to be changed later anyway. We agreed to do it as teams play each other through out the season, similarly to what occurred this year. The tournament is scheduled to be hosted by Delaware.
