

COACHES' MEETING – February 24, 2001

The coaches' meeting was held on Saturday night, 2/24/01. We discussed the following:

- All coaches agreed that on December 15th of each year, ALL athletic directors/coaches will contact the basketball commissioners by e-mail or fax regarding seeding. If coaches or Athletic Directors deem the current seeding inappropriate for any reason (i.e. injuries, academic probation, lost players etc.), amended seeding schedules will be developed.
- It was agreed upon that uniformity of tournament program booklets be examined. All coaches agreed that certain pertinent information be included. Attached is an example of the form that should be submitted to the host team AD prior to program printing.
- Again, all coaches agree that every year, the host will be responsible for securing from Division II teams or from local teams, two teams to join the six ESDAA Boy's Basketball Tournament in order that there be 8 teams total. The two invited teams will play as usual but if they win first round, they go to the lose bracket.

The ESDAA coaches wish to extend a heartfelt "Thank-you" and congratulations to MKSD coaches and athletic director and staff for the their cordial hospitality. They did an outstanding job, making the ESDAA TOURNEY successful and one to remember. Thanks so much!

Lou Volpintesta

 Basketball Commissioner
