

ESDAA Cheerleading

March 17, 2005

We all enjoyed a great day at the 2nd Annual ESDAA All-Division Cheer competition at PSD on 2/26. Every school that participated scored enough points to earn a Level of Excellence!

Congratulations to **PSD** and **MKSD** for Third Level of Excellence; **RISD**, **RSD**, and **NYSD** for Second Level of Excellence; **ASD**, **LEX**, and **MSD** for First Level of Excellence; and, special congrats to **MSD** for being the Grand Champion!

The **All-Star Team** included:

ASD - Stephanie Durand and Adam Lemay
LEX - Wanda Nivol
MKSD - Na Imah Burgos and Alyssa Rivera
MSD - Nikki Nowalski and Emily Nowalski
NYSD - Lizbeth Toledo
PSD - Melissa Hernandez
RISD - Jennifer Sawyer
RSD - Barbara Spieker

Our gratitude goes to the **Maximum Cheer All-Stars** from Lansdale, Pa., for providing a wonderful exhibition and clinic for the Teams. They did this free of charge as part of their Community Service Program. Fees paid were circulated to the general fund.

'04 Tourney:

Expenses = \$2421.08
Income = \$1060.00
Cost = \$1361.08

'05 Tourney:

Expenses = \$1631.53
Income = \$820.00
Cost = \$811.53

Approximately \$245 in additional fees is expected which will lower the cost by that amount.

'06 Tourney:

Expenses - anticipated to be similar to '04 costs as additional trophies are needed and we have to be prepared to pay for the clinic.

Income - fees expected to remain the same

Discussion: Coaches would like to open the Tourney up but not lose the closeness that was felt among the Teams. Full weekend was suggested but it was realized that would be impractical. Suppose we plan for a 10 or 12 team tourney with ESDAA schools having the first option to participate then opening it to others for the empty spots?
