

Girls Division I Update 1997

The Girls Division I Basketball Tournament was held at the American School for the Deaf on February 14 & 15. The Tournament was a complete success even though we were faced with lots of last minute challenges. Thanks to Neil Robinson's hard work and flexibility the tournament went on without a hitch. Both Maryland and New York School for the Deaf could not attend because of inclement weather and other factors.

Congratulations to all teams involved. It was a competitive tournament as usual and enjoyable to watch as well. The coaches and players demonstrated outstanding sportsmanship and the ESDAA should be proud.
