

1998 ESDAA COMMISSIONER'S REPORT
GIRL'S BASKETBALL DIVISION I
HOSTED BY NYSD

February 20 -22
Commissioner: Martha Fowler, MKSD

Coaches Meeting Minutes:

It was suggested that the host school, we think it will be WPSD, should try to get an exhibition game for the number 1 and 2 seeds for Friday nights games. We understand this is an extra expense, it would be up to the host school to do if possible.

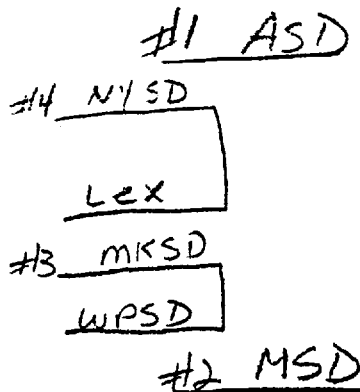

A question was asked by one of the new coaches about how many tournaments a girl can play in. According to the bylaws they are allowed to play in 6 tournaments.

We would like to thank the NYSD for a wonderful tournament. It was well run and very enjoyable. Thank you especially to Prinnie, athletic director!!
