

ESDAA GIRLS BASKETBALL DIVISION I 2002 REPORT
Martha Fowler, Commissioner

Seeding for 2003 tournament:

- #1 Maryland
- #2 Western PA
- #3 Katzenbach
- #4 New York
- #5 American (picked out of a hat)
- #6 Lexington (picked out of a hat)

Brackets 2003:

Host School Packet:

There are many things involved each year in hosting a tournament. I thought to make life just a little bit easier, that if we had a "Host School Packet" it would make it that much easier. Attached is what I thought important: a list of the trophies needed, skills competitions explanation - with papers to help run each, papers for the awards announcer to use, stat paper for games, all star and sportsmanship ballots, examples of tournament program books and a complete list of past winners. Let me know if anything else needs to be added.

To be brought the attention of the Athletic Directors:

1. Participation on Club teams during the high school season.
 - a. Are there any rules on the books (ESDAA) to prevent this?
 - b. If so, what are the consequences? (Forfeit of games?)
 - c. Should this be brought to the attention of the Clubs by the ESDAA?
2. Making Division I girls into an 8 team division. Only two teams in the tournament get to play three games.
3. The coaches would like to change from dividing the All Stars into first and second teams to an All Tournament Team. It would consist of 10 players or 11 if a tie. One player from each team must be on the All Tournament Team.
