ISSUES:

1. The D-2 Jim McCarthy Sportsmanship "Travelling Trophy" is missing. We need to return this award to public use.
2. The "not required" Lay-up rules need to be found and restored to the rules of the division.
3. The coaches requested that the 3-point rules be added to the list of team competition rules.

Mill Neck Manor provided an excellent and very well coordinated tournament this year despite some scheduling changes and difficulties.

Thank you very much Mr. Tobin!
